

THE EASIEST WAY TO REGISTER WITH COMPASSANA

SETTING UP AN ACCOUNT WITH INSURANCE LOGIN FOR HELSANA

1. Select your insurer

Is your basic insurance with Helsana? Do you have a Helsana account? If so, you can use the login for your insurer to set up a Compassana account.

Select Helsana to begin the registration process.

2. Sign in using your login details for your insurer

This is where you use the same login details that you use for your Helsana account.

3. Enter the security code

To safeguard your account, Helsana will send you a security code by text message.

Copy the code in the text message into the corresponding field and log in.

4. Overview of shared data

Once you have completed the registration, you will receive an overview of the data that your Helsana account will share with your new Compassana account.

This information is needed to be able to provide you, as a policyholder with our partner insurer, specific services and support in line with your insurance status.

Under no circumstances will data be transferred from your Compassana account to your insurance account.

5. Give your consent

Do you agree to the data displayed being transferred from your Helsana account to your new Compassana account?

Then tick the box and continue.

6. Android only: click 'Continue'

Do you have an Android device? Then click on 'Continue' here to continue with your registration in the Compassana app.

7. Confirm your age and the terms of use

Read and accept the terms of use and confirm that you are aged 16 or over.
