

THE EASIEST WAY TO REGISTER WITH COMPASSANA

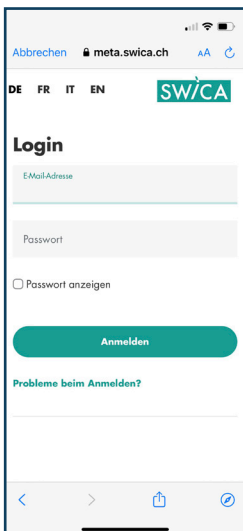

SETTING UP AN ACCOUNT WITH INSURANCE LOGIN FOR SWICA

1. Select your insurer

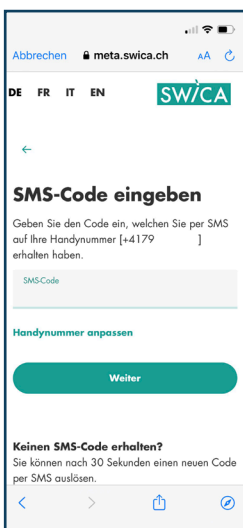

Is your basic insurance with SWICA? Do you have a SWICA account? If so, you can use the login for your insurer to set up a Compassana account.

Select SWICA to begin the registration process.

2. Sign in using your login details for your insurer

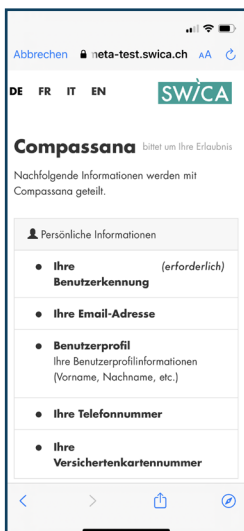

This is where you use the same login details that you use for your SWICA account.

3. Enter the security code

To safeguard your account, SWICA will send you a security code by text message.

Copy the code in the text message into the corresponding field and log in.

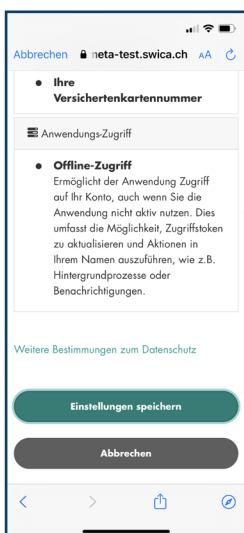

4. Overview of shared data

Once you have completed the registration, you will receive an overview of the data that your SWICA account will share with the new Compassana account.

This information is needed to be able to provide you, as a policyholder with our partner insurer, specific services and support in line with your insurance status.

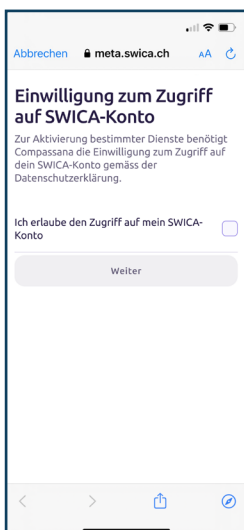

Under no circumstances will data be transferred from your Compassana account to your insurance account.

5. Save your settings

Do you agree to the data displayed being transferred from your SWICA account to your new Compassana account?

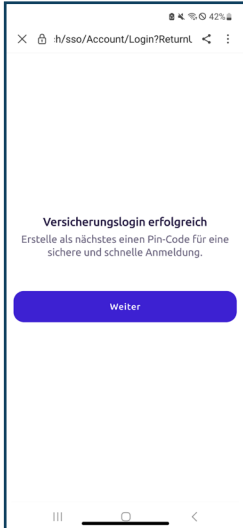

If so, save your settings.

6. Give your consent

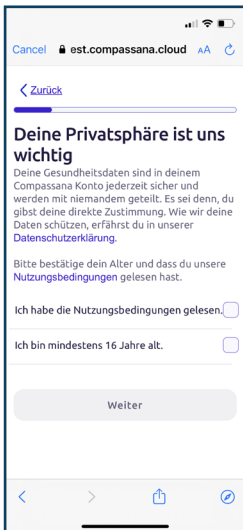

Click here to allow the SWICA data that was previously displayed to be transferred to your new Compassana account.

You can find more information on how we process your data in our privacy policy: <https://www.compassana.ch/en/dse-c-app-2023>

7. Android only: click 'Continue'

Do you have an Android device? Then click on 'Continue' here to continue with your registration in the Compassana app.

8. Confirm your age and the terms of use

Read and accept the terms of use and confirm and that you are aged 16 or over.
